

Cyber Security Hall of Fame

In Partnership with Cyber Ready Clinic (Non-Profit)

Since 2012, the Cyber Security Hall of Fame® has proudly recognized the world's most influential cybersecurity leaders – visionaries whose groundbreaking contributions have strengthened the industry and inspired the next generation of defenders. The distinguished Class of 2026 will be formally inducted during a prestigious ceremony on December 10, 2026, celebrating excellence, leadership, and lasting impact in cybersecurity.

The Cyber Ready Clinic, the Cyber Security Hall of Fame non-profit partner, is proud to co-host this year's Cybersecurity Hall of Fame Induction Ceremony. Founded in 2024 by Ron and Cyndi Gula, CRC is a 501(c)(3) nonprofit dedicated to

helping organizations become cyber ready while strengthening the future workforce. CRC champions the professionalization of cybersecurity by delivering clinical, real-world experience to practitioners within their local communities. Through partnerships with educational institutions, product innovators, and service providers, the Cyber Ready Clinic works to reduce workforce shortages, expand hands-on skills training and cyber awareness, and build stronger cyber defense capabilities to protect data across nonprofits and other tax-exempt organizations.
